There is as much necessity of a Doctor fitting your shoes or hat as there is in having him fit your Glasses. When in need of Glasses come to us; we will give you an accurate fit without exorbitant charges for your Glasses. A perfect fit guaranteed.

MURPHY, the Jeweler and Optician.

Mr. and Mrs. James Wise and daughter and Mr. and Mrs. Walter Wise and daughter accompanied the remains of the late Frank Wise from Newport to this city last afternoon. The body was taken to the home of his son, Mr. Robert Wise, in West Second street, whence the funeral will take place at 10 o'clock tomorrow morning. The interment will be in Maysville Cemetery.

A farmer living a short distance above Manchester on this side of the river was here yesterday on the hunt of a skiff. After a search the stolen property was found hid in the willows above Limestone creek. From the amount of feathers found in the skiff it is surmised that it was used by chicken thieves in boating their ill-gotten gains to this city. He returned home on the Courier with the boat.

PIONEER MERCHANT

James D. Smith of Newport Dies Thursday at Vanceburg

James D. Smith, for many years in the wholesale millinery business in Cincinnati and one of Newport's pioneer citizens, died Thursday at Vanceburg, where, with his wife, he was spending the summer months.

He was 79 years of age, and for over half a century had lived in Newport.

Besides his wife, who was Elizabeth Hooper, four children survive—Mrs. O. G. Fetter, Mrs. Samuel C. Reiley, Mrs. Sid. Seaman and Harry D. Smith, the latter a well known salesman who has visited Maysville frequently.

SOCIAL EVENTS

Mr. and Mrs. Alex. Calvert entertained with an elaborate dining on Thursday at their home near Lewisburg. Among those who were guests were Miss Mary Daulton, Mrs. Lizzie R. Morgan and daughter and Miss Julia Graham of this city.

Mr. and Mrs. J. P. Nash gave a dinner in honor of Mr. Nash's cousin, J. W. Powers, of Kansas City, Mo., who had not been here for twenty-five years. Mr. Powers was raised by S. W. Nash, father of J. P. Nash. Those present were Samuel W. Nash, father of J. P. Nash, and four sisters and four children. It was one of the happiest reunions that has taken place in many years, and all departed for their homes wishing that it will not be so long before they meet again.

The Internal Improvement Committee last night agreed upon Larry Langefels & Co.'s bid as being the lowest and best, and it will recommend to Council on Monday night the acceptance of their offer to furnish material for the East End sewer.

Their bid was \$10,099.91, and the next lowest was \$10,537.39.

Larry agrees to give the best material on the market, and he generally keeps his word.

SPLENDID CONVENTION

Orangeburg Royally Entertained the Christian Churches

The Annual Convention of the Christian Church Co-operative Association of Mason County was held in Orangeburg yesterday.

Notwithstanding the very inclement weather, a large crowd was in attendance and delegates from a majority of the Churches were present.

Through the untiring effort of the efficient Secretary, Mr. George H. Frank, reports were given from all the Churches except two.

The program for the Convention, arranged by the President, Mr. Clarence L. Sallee, and the Secretary, was an excellent one and all papers and addresses were unusually good, interesting, instructive and to the point.

The devotional exercises led in the morning by M. F. Marsh were fine, in that it had such a bright outlook for the future of the Church. The Address of Welcome by Rev. Charles Barnes, the Minister of the Convention Church, and the response by J. T. Kackley brought every one into a closer feeling of friendship among the County churches.

Papers and addresses on the different departments of Church work were given by the following. "The Main Object of Sunday-school Work," Miss Ida Mayhugh; "The C. W. B. M. Work," Mrs. Mills and Mrs. Yancey of Lexington.

The number of auxiliaries in the county 7: amount contributed \$371.52. Mrs. Yancey spoke especially of the C. W. B. M. work in the mountains. Kyle Brooks on "The Village Church." Round table discussion of Sunday-school work was led by Robert M. Hopkins of Louisville, and a church round-table discussion by Rev. R. E. Moss of Maysville. Mrs. Hardin Lucas of Chicago delighted the Convention with three beautiful solos.

The devotional exercises in the afternoon, led by Mrs. Jennie Zeigler, were replete with good, practical suggestions to every one, both Churches and the Ministry. This was truly uplifting and shall ever be remembered.

The Orangeburg Church had its first experience in entertaining a Convention yesterday, but they went about it like veterans. All were cordially welcomed and at the noon hour the Convention repaired to the schoolhouse, where the lunch was served. The salads, fried chicken, boiled ham, croquettes, sandwiches, pickles, coffee puddings, cakes, creams and ices were all simply delicious, served bountifully and enjoyed thoroughly.

A much larger crowd attended the afternoon session.

The officers elected for the ensuing year were—

President—W. E. Pogue of Maysville.

Vice-President—W. Scott Oaborn of Tuckahoe.

Secretary—George H. Frank of Maysville.

Millcreek was selected as the place for the next meeting.

Mr. M. Davis of Market street was taken suddenly ill last night, but is much better this morning.

Messrs. Thomas Russell and Joseph Power returned last night from their automobile ride to Louisville and back.

Contractor Lane yesterday received three or four additional pieces of timber needed for the big tobacco warehouse.

Misses Jessie and Lella Ballenger will leave next week to take up their residence in Cincinnati. Both young ladies have excellent positions in the same office, one as bookkeeper and the other as stenographer. Miss Jennie Heslin will fill the position left vacant at Barkley's Shoe Store.

In the show window of Dan Cohen's shoe store in Second street are two stalks of tobacco taken from Mr. Sweet's patch above the city after Tuesday's hail storm. They look like they had passed through a threshing machine. There is not a piece of the leaf remaining on the stalks as large as a quarter.

Colonel George Gibson Burrows, with D. Hechinger & Co., sustained quite a fall in the rear of their place of business on last Thursday evening. Owing to the Colonel's dimensions he was jarred up considerably. Though able to be about he does not move as gracefully as of old.

Mr. and Mrs. John C. Hall, of the Hotel Hall, were married Saturday afternoon.

Thomas Rankins, well known in this city, died Friday morning at 3 o'clock at the home of his brother, Mr. James Rankins, in Mt. Olivet.

The deceased was born near this city and was past 60 years of age. He leaves two brothers, James and Deb.

The funeral takes place today. Interment in Mt. Olivet Cemetery.

At the recent meeting of the Grand Castle, Knights of the Golden Eagle, at Olive Hill, Mr. Alan D. Cole was nominated for Vice-Chief and Mr. Harry L. Walsh for Second Guard, the election to be held in December. Mr. Cole was also appointed a member of the Law Committee for the ensuing year.

The purest Paris Green at the lowest price is at Ray's Drugstore.

Rev. Homer Carpenter will preach at the Mayslick Christian Church tomorrow, morning and evening.

Mrs. James Tolle of the West End, who has been under treatment in a Cincinnati hospital, is getting along nicely.

Price Raburn, aged 35, committed suicide at Owingsville by taking poison. Domestic troubles are said to have caused the act.

The union service will be held at 7:30 tomorrow evening at the Central Presbyterian Church, the Rev. R. E. Moss of the Christian Church preaching.

Miss Anna M. Wallace of the Restaurant Royal, Market street, Thursday received the first consignment of oysters on the local market for this season.

A letter received yesterday from Nashville, Tenn., by Mr. George Schroeder states that the Rev. Father A. T. Ennis is getting along nicely and that he will be able to sit up today.

At the recent meeting of the Grand Castle, Knights of the Golden Eagle, at Olive Hill, Mr. Alan D. Cole was nominated for Vice-Chief and Mr. Harry L. Walsh for Second Guard, the election to be held in December. Mr. Cole was also appointed a member of the Law Committee for the ensuing year.

John D. Littlejohn, District Secretary.

It has been said for some time that our Penitentiaries are overcrowded. That is the reason, perhaps, for putting the balance of the thieves in the offices.

ONE of the great arguments of the Free-traders has been that with Freetrade we would have access to the "markets of the world."

Well, the only time the

Freetraders have had control of the Government

in recent years was in the second Cleveland Administration. They did

not put actual Freetrade into operation, but they came close enough to it to put most of the factories of this country out of operation. We did not get the markets of the world. They may have been open to us, but our manufacturers were going out of business so fast, under the ruinous Tariff schedules the Democrats had put into effect, that they could not seek the

markets of the world. Their own home market, the best one to them, was invaded by cheap foreign goods, however.

Then the Protective Tariff system was reinstated by the people of this country and immediately the factories began to turn their wheels again. Within ten years we have demonstrated that the way to get the markets of the world is to protect our own market against invasion, build up our industries, and then branch out for foreign trade.

We have not had anything like Freetrade within those ten years, and yet we are selling millions of dollars worth of goods every year in the "markets of the world."

In Congress last winter Congressman Hill of Connecticut told of a recent visit he had made abroad. He said—

"I stood on the deck of a Japanese liner in the harbor of Vladivostock, Russian Siberia. In the hold of that ship was over 700 tons of American agricultural implements that had come across the Pacific Ocean from America for the use of the peasants of Siberia, and shipped there under the Dingley Tariff Bill. That night at the hotel I met the representative of a Locomotive Works in Philadelphia who told me he had just put in 150 locomotives for use on the Siberian Railway, shipped there under the Dingley Tariff Law."

"Next day I rode 500 miles up the banks of the Amur river over American steel rails shipped there under the Dingley Tariff Law. Then I got aboard a steamer to go up the Amur 1,500 miles. It was American built, towed two steel barges made in Pittsburgh, shipped there under the Dingley Tariff Law."

That looks as if we had a slice of the markets of the world, but we never got anywhere near them under Democratic Tariff ideas.

Talking about rapid promotions in the army—that Russian kid was made a Colonel in the army before he was twenty-four hours old, with rations and allowances attached. But it takes a Colonel to attack the breast works all the time.

Several Maysville young ladies and gentlemen attended the Fair ball at Vanceburg last evening.

After having reiterated his former confession, in which he admitted being the murderer of five persons, "Strangler" Alfred Knapp paid the penalty in the electric chair early yesterday morning at the Ohio Penitentiary for the killing of his wife, Hannah Goddard Knapp, at Hamilton, O., nearly two years ago.

A cyclone swept over North St. Louis, covering several city blocks. The Neidringhaus Stamping Mill was blown down and ten men are reported to have been killed. The list of injured will number over 50. At least a score of residences were blown down, and it is not known how great the list of dead and injured will be. The storm was not noticed in the central business districts. All the available physicians and ambulances were hurried to the stricken district.

W. Squire Farrow carried off several premiums at the Vanceburg Fair yesterday, one on a very promising colt. Charles Biggers and L. T. Anderson, Jr., were very successful in getting strings.

The making of perfect soda water is now reduced so nearly to a science that about all depends on the willingness of the maker to pay for perfect materials.

Yet perfect soda is rare; the reduced profit hinders.

There is nothing too good for our fountain. We think there is profit enough in pleasing and holding our soda water customers.

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured
Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902.

Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

Guess everybody and the cooks are going to the Vanceburg Fair from about here. They think there should be some reciprocation on their part—we'll go to the Fair and you'll come to the Reunion. Nuff sed.

The Jr. O. U. A. M. is a patriotic society, founded on free speech, free press, free schools, restricted emigration laws, the Holy Bible and Republican form of Government. Therefore the G. A. R. seeks the Association, influence and encouragement of said societies. Come to the Reunion, boys.
